LB 942, 1098

CLERK: 25 ayes, 0 nays, Mr. President, on the motion to advance the bill.

PRESIDENT: LB 942 is advanced. The Chair would announce that Senator Goll has a guest under the north balcony this morning and he is from Tekamah, Nebraska and he is Mr. Curt Ray and we welcome you to the Legislature. Next is LB 1098.

CLERK: Mr. President, 1098 was a bill introduced by Senator Schmit. (Read title.) The bill was read on January 18, referred to the Education Committee, advanced to General File. I have no amendments.

PRESIDENT: Chair recognizes Senator Lamb.

SENATOR LAMB: Yes, Mr. President and members of the Legislature. This is a bill which would facilitate the transfer of rather small parcels of land between school districts. It requires 65 percent of each of the Boards of Education involved in order to transfer this land and the purpose of the changes is to reduce the time and cost involved in bringing the members of the State committee. In other words, it bypasses the State Committee for Reorganization of School Districts and just lets the two districts decide. If they have 65 percent of each board in concurrence, then this would happen without the added expense of taking it to the county and to the State Reorganization Committee. Would ask that the bill be advanced.

PRESIDENT: Chair recognizes Senator Morehead.

SENATOR MOREHEAD: Would Senator Lamb yield to a question?

SENATOR LAMB: Yes.

SENATOR MOREHEAD: Is the amount of land specified in there?

SENATOR LAMB: Yes, 640 acres.

SENATOR MOREHEAD: So that's a small amount of land where?
